## Village Accepts Fire Station, Paying Kidera \$2,240 in Settlement

### Architect Approves Building But Contractor Will Make Repair

The village board meeting in special session last evening voted the final payment of \$2,240 to Contractor Ed J. Kidera for the construction of the new fire station. Approval of the building was given by the architect, Leonard Latz, of Waukegan, which then obliged the board to complete the payment.

A letter to the board from Kidera said that although the floor put in by another contractor for whom he was not responsible did not come up to expectations, he would finish it at his own expense.

"My donation to the village in this respect backfired," he said. Kidera said he planned to either apply a new surface or remove the existing surface.

Kidera took exceptions to the report of the board meeting that he and Architect Latz debated or argued over the job.

"To infer that an architect allows a building to proceed without rigid inspection throughout the construction period is to accuse him of neglect of duty. This is not true and I believe you owe Mr. Latz an apology," wrote Kidera to the Antioch News.

Trustee Edgar Simonsen said that the fire department would probably spend \$1,000 in plastering the exterior of the building to beautify it. The firemen expect to occupy their new building at an early date now that settlement has been made.

One thousand dollars was transferred by the board from the general fund to the fire department fund to provide enough for the payment to Kidera.

## Basketball Season to Close Friday Evening Here; Palatine Guest

### Sequoits Prepare for District Tourney at Wauconda Next Tuesday

Antioch High will bring its home game basketball schedule to a close tomorrow evening when it meets Palatine here.

The Sequoits gave a Wauconda audience last Friday night an exhibit of what they failed to do at home all season when they came from far behind to win from Wauconda 31 to 30. The custom has been to lose by a small margin.

Wauconda led at the quarter 9-5 and at the half 21-8 and it looked like a tough night for Antioch. What Coach Kruzan said to the boys between halves is not known but when they returned, they played a different brand of ball. The third quarter narrowed the score to 27-18 and when the final gun sounded it was Antioch 31-30. The Sequoits allowed Wauconda but nine points in the last half.

High scores for Antioch were Buchta 8 points; Appanaitis 8; and Poulos 8. For Wauconda Flink and Osinski with 9 points each, were high scorers.

The Papposes lost to Wauconda 24 to 28.

**Barrington Beware**  
Antioch is gunning for Barrington in the district tournament at Wauconda next Tuesday. Although the local team can but hope to finish a tie for fifth place in defeating Palatine, a victory over Barrington and later the district tournament would wipe out any stigma of a poor season.

Barrington has beaten Antioch by only a few points this season and the Sequoits are sure they can turn the trick if Barrington becomes over confident.

The Antioch-Barrington game will be the second of the tournament starting at 7:45 p. m. Ela and Grant will play the opening game of the tournament at 6:30 and following the Antioch game Lake Forest will take on Wauconda.

Should Antioch win she probably will have Lake Forest as the next adversary, and the winner of that game probably will meet Northbrook.

On Wednesday evening Warren will play Grayslake and Northbrook will play the winner of the Ela-Grant game.

### Robin Likes Antioch

A robin has remained in Antioch all winter this year. It found protection from the cold and plenty of food staying at the rear of the Thompson tavern, 933 Main street.

## Rescue Squad Gets Letters Of Praise From Maywood, Ill.

Capt. Herman Holbek of the Rescue squad has received three letters of appreciation from Maywood citizens for the work of the squad in finding the body of Gregory Deising, Jr., who drowned in the Des Plaines river recently.

One letter was from the village board, the other from the police department, and the third from the parents of the boy.

"Your work has been the talk of the town," said the letter from the police.

"We want you to know that your fine work was appreciated," wrote the president of the board, who indicated that the squad would be remembered by the business men later.

## Antioch High Schedules For Varsity, Soph-Frosh Baseball, Track Listed

### Nine Games and Five Meets On Varsity Program Of Sports

Antioch Township High school's baseball and track schedules were announced this week by Principal T. R. Birkhead showing five track meets and nine baseball games.

The baseball season will open May 3, here with Ela Township as the opponent. This game like the one following on May 6 with Wauconda here will not count in the conference standing.

The games counting in the conference standing are scheduled as follows:

Tuesday, May 10, Ela, there; Friday, May 13, Barrington, here; Tuesday, May 17, Wauconda, there; Friday, May 20, Northbrook, here; Tuesday, May 24, Palatine, here; Friday, May 27, Grant, there; and Tuesday, May 31, Bensenville, here. The Freshman-Sophomore schedule is:

Thursday, May 5, Barrington, here; Wednesday, May 11, Ela, (freshmen), here; Monday, May 16, Barrington, there; Saturday, May 28, Palatine, there at 9:30 a. m.

### Varsity Track Schedule

Antioch's first track meet will be here with Wauconda on Friday, Apr. 8. On Tuesday, Apr. 19, the Sequoits will meet Palatine at Palatine and will return there Saturday, Apr. 30 for the relays. Palatine will continue to be an opponent on Thursday, May 12, when Antioch makes its third trip there for a triangular meet with Barrington as the third school. The conference track meet will be on Wednesday, May 18.

**Freshman Sophomore Track**  
The underclassmen will have three meets. They will be Tuesday, Apr. 12 with Wauconda, here; Tuesday, Apr. 26 with Palatine at Palatine; and Monday, May 2 with Barrington here.

## V.F.W. to Celebrate Golden Anniversary In Dance Saturday

The Sequoit Post V. F. W. will hold its annual dance commemorating the "Sinking of the Maine" this Saturday evening at 8 p. m., at the California Bar, 1 mile west of Antioch on route 173. John Stebley and his orchestra will offer entertainment for the evening.

Every year at this time V. F. W. posts all over the country honor their comrades who fought in the Spanish American War—they having been the originators of the Veterans of Foreign Wars. The celebration this year is especially significant in that it marks the 60th anniversary of the forming of the V. F. W.

The Sequoit post's entertainment committee invites all to come out and help the post celebrate the founding of the National Veterans of Foreign Wars.

## Grande Cleaners Open Store at 920 Main St.

Grande Cleaners of Libertyville have opened a branch store at 920 Main st., formerly occupied by Marie Anne's and have made Mrs. Patricia Maples of Antioch manager. In business for more than 20 years, the Grande Cleaners plant is one of the largest and most modern in Lake county. The firm is a member of the National Dryers and Cleaners association.

The company has a new modern fur storage vault.

## Barn on Walter Hills Farm Burned, but Herd Of Dairy Cattle Saved

### Firemen Do Splendid Work In Protecting Buildings Loss \$30,000

Quick work on the part of Walter K. Hills, saved his herd of 20 dairy cattle when his barn burned Monday night with a loss estimated at \$30,000.

Mr. Hills, who has rented the Carl Struwer farm two miles south of the village for the last 29 years, was called by his neighbor, Louis Horton at 10 o'clock and told that his barn was on fire.

When Mr. Hills rushed out of the house flames were shooting out the upper portion of one end of the large 40x60 frame structure. He immediately began driving the cows out of the building and fire was burning above the heads of the last four cows when he led them to safety.

Fearing that he might have overlooked some, Mr. Hills dashed through the smoke to make one final check. As he left, he pulled out a new milking machine of considerable value.

**Cows Caused No Trouble**  
"The cows went out without any trouble, whatsoever," said Hills in describing the quick evacuation of his fine dairy herd.

He said that he and Mrs. Hills were seated in the living room of their home and their view of the barn was obstructed.

"When we went to the phone we could see the bright light in the lot and knew something was wrong," said Mrs. Hills.

The Antioch firemen made a quick trip and did a good job in preventing other buildings catching fire. The barn was to the northeast of the house and the wind from the northwest kept the flames away from it. Other nearby buildings were showered with sparks.

### Freak Wind Change

A freak condition in the weather was noted. After the fire got a good start the wind changed to the east, blowing the flames across the Soo tracks.

The only water available was in the cattle tank, and it was necessary for the fire department to make a number of trips back to town in getting water. Both trucks were used.

The Lake Villa department aided in the fire fighting which was greatly appreciated.

"I want the people to know that the firemen did a fine job and we had fine protection on our other buildings," said Mr. Hills.

It is believed that the blaze started from defective wiring because it was in the end of the building where all of the wiring and electric facilities were stationed.

"It couldn't have been spontaneous combustion," said Hills, "because there was no hay at that end of the barn."

### Hay All Consumed

At the other end of the lot, however, 60 tons of baled and loose hay were stored. It was the supply necessary for carrying the cattle through the rest of the winter.

The machine shed was saved and along with it a tractor, a saw, and a drag, and other equipment.

Mr. Hills' cows were immediately sheltered at the nearby farm of H. H. Grimm, who disposed of his cattle not so long ago and who had plenty of room for the 20 head.

Mr. Streuver, owner of the farm, who lives at Peru, Ill., had not arrived yesterday to look the situation over and it is not known what will be done about rebuilding. Insurance was carried on the destroyed barn and adjoining cow shelter.

Mr. Hills is president of the Antioch Township High school board.

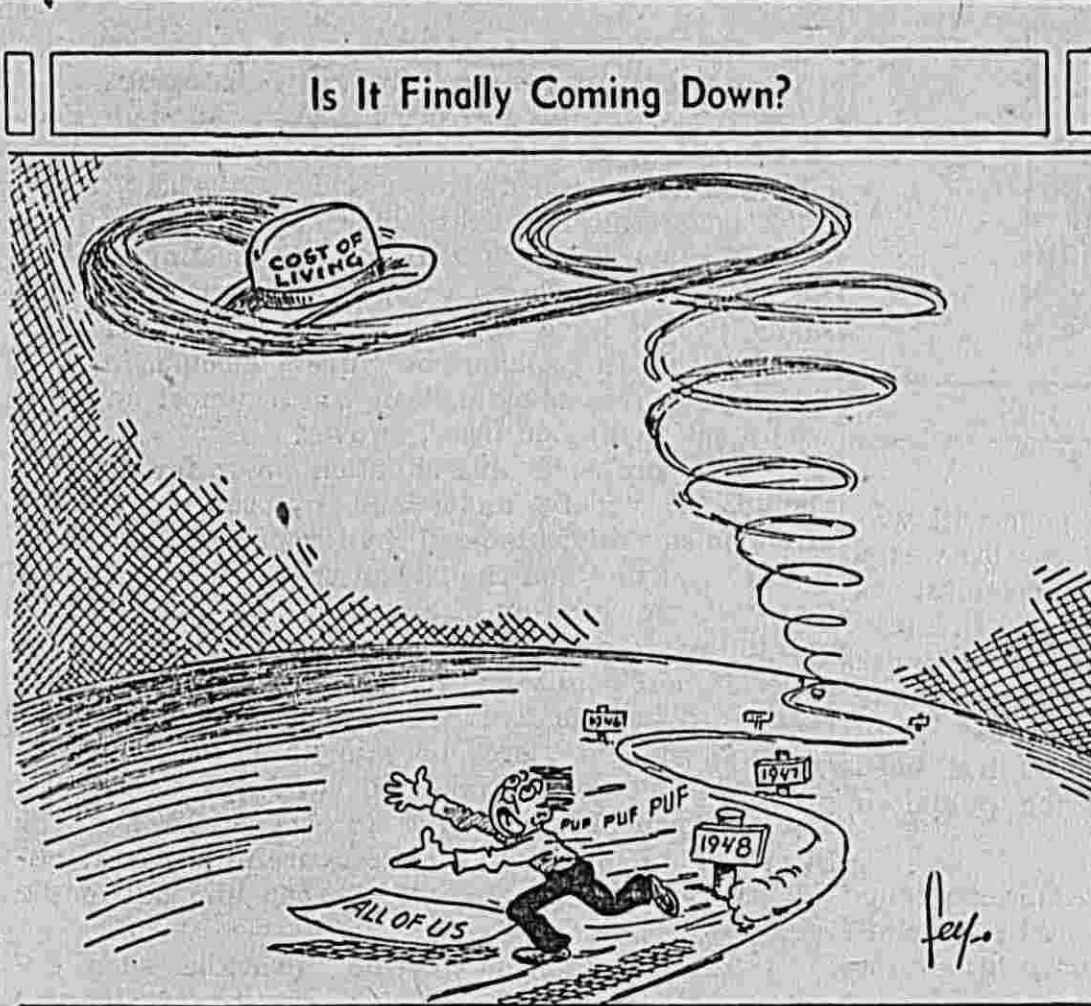

## F.F.A. Boys Eradicate 1,608 Pests in Contest

The annual Future Farmer pest control contest has been completed the eradication of 1,608 pests.

The number included 1,233 Sparrows, 54 starlings, 12 crows, 2 blackbirds, 51 rats and 256 mice.

The prize winners were as follows: Dennis Pasch, first \$2; Donald Bushing, second \$1.50; Joe Walczyk, third \$1; George Nelson, fourth, 75 cents; Jack Heick, fifth, 50c; C. L. Kutill, sixth, and Ray Eppers, seventh, each 50 cents; Stephen Young, eighth, Gordon Wells, ninth; Floyd McKinney, tenth; Jack Choje, eleventh; Roy Trayer, twelfth, each 25 cents. Mr. Kutill gave his award to the last two contestants.

The grand total of points was 14,600.

## Getchell Will Speak At Legion Auxiliary Party On Friday, February 25

### Representatives Will Attend Patriotic Meeting In Chicago

Douglass Getchell of Grayslake, past state commander of the American Legion, will be the speaker at the birthday party of the Antioch Legion auxiliary Friday, Feb. 25.

The meeting will start with a pot luck supper at 7 o'clock and will be followed by a program in which Mr. Getchell will appear.

Plans for the party were made at the meeting of the auxiliary, Feb. 11, which was attended by 33 members. Mrs. Alice Freeman entertained the unit with two readings from the life of Abraham Lincoln.

Arrangements were made for Mrs. Lucy Himens, president; Mrs. W. C. Petty, Pan-American chairman; Mrs. L. R. VanPatten and Mrs. Burt Anderson to attend the Patriotic conference at the Morrison hotel at 9:30 a. m. Mar. 24. They will attend a luncheon at 12:30 p. m. in the Terrace room.

The public is cordially invited to attend the first of a series of card parties sponsored by the Auxiliary on Saturday evening, Feb. 19, at 8 p. m. in the Legion Home.

## Lions Club Will List Resorts for Vacation Visitors in this Area

The Antioch Lions club will be shown movies of the 1948 World Series games at their meeting Monday evening at the Henning Johnson resort.

A program of some sort will be planned for each meeting of the club.

Because a great many inquiries as to where accommodations for people wishing to spend their vacation in or near Antioch are received each year, a committee of club members will make duplicate copies of lists of resort owners who want the public to have this information.

Types of accommodations, rates, telephone numbers of these resorts are to be mailed to Don Berkheiser, secretary, in Antioch.

## N. J. Zehren of Kenosha Purchases Nelson Grill

Purchase of the Nelson Grill by Nicholas J. Zehren of Kenosha was announced this week by the retiring owner, Robert Nelson.

Zehren, already in charge, is an experienced restaurant man having managed the Kenosha country club during the three war years.

Nelson has been proprietor of the grill the last three years. He has made no definite plans as yet but is keeping Antioch as his home for the present. He has considered moving to California.

Zehren has been a life long resident of the Kenosha area.

### INFANT SON DIES

Gary Miller, three month old son of Mr. and Mrs. Charles Miller died Monday at St. Therese hospital. Gary had been ill all of his life. Private funeral services were held.

## President Bartlett Seeks Re-election On Peoples Ticket

### Rosenfeldt, Hawkins, and Simonsen Trustee Candidates

George B. Bartlett who has completed 26 years as president of the Antioch Village board will again be a candidate for the office heading the Peoples ticket.

Bartlett said that he would just as soon not run but that he had been urged strongly to do so.

On the ticket with him will be Arthur Rosenfeldt, trustee, seeking re-election; and Arthur Hawkins and Edgar Simonsen, newly appointed trustees. A fourth candidate to fill a fourth vacancy is yet to be selected.

Running for re-election on the Peoples ticket will be L. D. Powles, clerk; Mrs. Martha Hunter, treasurer and Elmer Brook, police magistrate.

While none of these candidate have filed petitions, their petitions will be circulated soon.

## Rescue Squad Given Temporary Permit to Occupy Old Fire Barn

### Wants to Lease Village Land For Site of Proposed New Building

The Antioch Rescue Squad was given permission by the village board last evening to use the old fire barn for its equipment just as soon as the fire department vacates it to occupy the new fire station.

The request from Capt. Herman Holbek brought the reply from the trustees that the use will be temporary and that should the village wish to install room for its clerk, the understanding is that the place must be vacated at once.

Capt. Holbek also requested that the village give the Rescue squad a 99-year lease on a 28-foot frontage of city property near the site of the base of the old memorial cannon.

Arthur Hawkins and Arthur Rosenfeldt, trustees, were named by President George B. Bartlett to investigate the proposition.

Holbek said the squad is anxious to find a location so that it can begin efforts to raise money for a new building to house the equipment. He said the newly chartered organization now has \$9,000 in its building fund.

He said a drawing would be supplied to give the board an idea of what space would be required. The new building would have no basement and therefore would not bother the pipes from the water tower.

## Two Boys Hurt In Falls At Grade School Rink; Bill Horton Breaks Leg

Bill Horton, son of Mr. and Mrs. William Horton, Victoria st., is recovering from a fracture of one leg received last Thursday while skating at the grade school rink. He was taken to Victory Memorial hospital by the Antioch Rescue squad having the break X-rayed and put in a cast and he was brought home that afternoon.

Another victim of a fall at the same rink was Forest Stahmer, son of Mr. and Mrs. Fred Stahmer, 439 Lake st., who suffered a slight concussion, but who has now fully recovered. He is in the second grade of the Antioch school.

## W. C. Petty to Address PTA Monday Evening; Eugene Shea on Program

W. C. Petty, county school superintendent, will speak on "School Legislation" at the Antioch grade school Parent Teacher association meeting at 8 p. m. Monday.

Eugene Shea, outstanding baton twirler and instructor, will begin the program with several numbers.

The card party and dance for the P. T. A. at 8 p. m. Saturday, Mar. 5 will be discussed at this meeting for which Mrs. Vern Barnstable is chairman. Bessie Barnes orchestra will furnish the music.

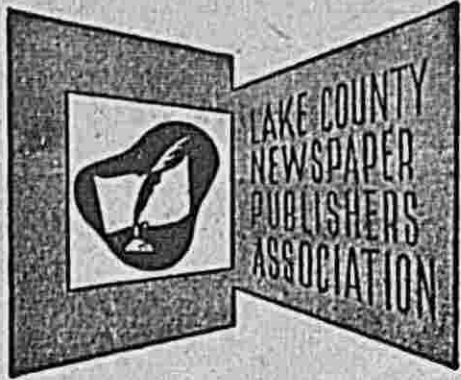

Joe Patrovsky has donated a ham for the occasion. Refreshments will be served by the fourth grade mothers with Mrs. Harry Miller, a room mother in charge.

## How To Lick Fire

It is universally hoped that this year will witness real progress in the battle to reduce fire waste. The professionals—the people and the organizations whose jobs is to blueprint the mechanics of fire prevention—the better organized than ever before. Under the aegis of the President of the United States, state committees have been established to deal with fire problems locally. And every effort has been made to enlist the active support of the public in this great endeavor.

One very necessary step is for American communities, down to the smallest, to accept the responsibilities which are properly theirs. A very large proportion of our building codes, for instance, are hopelessly obsolete. In many other cases, good codes are meaningless because of lack of enforcement. During the war and for a time thereafter, material and labor shortages made it difficult and in some cases impossible to maintain high standards in this field. That situation no longer exists, and safe construction—along with the elimination of existing fire traps—is now possible and essential.

It is undoubtedly true that many fire departments are in need of overhauling—both as to personnel and equipment. Money spent for this purpose is the best possible community investment. When a town is too small to operate a department of its own, it can often secure centrally located facilities.

The way to lick fire is to build up strong physical defenses against it—and then carry the gospel of fire prevention into every home and place of business. Let's make 1949 the year in which that is accomplished.

## Problems For The Storekeeper

According to the National Association of Food Chains, "A good many food men seem to expect some continuation of the downturn in food prices, somewhat lower sales, and difficulty in maintaining present profit margins." There is a similar feeling in other lines of retail trade as well, based on the fact that many people have used up war savings and must buy carefully to get along on current income. In brief, the day of "free spending", in which almost anything would sell at a good price, is over.

The problems this situation poses for retailers should be widely understood by consumers who often, mistakenly, blame them for present price levels. Most of the food chains can operate on a profit of less than two cents out of each dollar spent with them, due to their rapid turnover. Stores dealing in clothing, general merchandise, novelties, and so on, have to earn an average of five or six cents out of that dollar. The independent stores operate on about the same basis. Thus, even a very small cut in profit margins is a matter of moment to the storekeeper. He has very little "fat" to go on, and the most careful and economical management is necessary to keep him out of the red.

The reason why retailing provides such excellent service for so small a profit, lies in two words—efficiency and competition. Some consumers buy where the lowest prices are offered. Some look for special services, such as deliveries and credit. But, whatever the individual consumer prizes most, there is a long list of stores eager for his patronage, and each seeks to outdo the others. American retailing is the best in the world and the free enterprise system keeps it so.

Fish. Mrs. Alice Meyer was awarded the grand slam prize. Mr. and Mrs. B. J. Hooper visited their daughter, Mrs. Traver Ellis, and family at Belvidere last week Thursday and brought their grandson, David Ellis, home with them for a few weeks.

Mrs. Marie Hamlin went to Chicago on Thursday last week to spend some time with her cousins, Misses Anne and Libbie Petru. Miss Jean Weiss, Rt. 21, was home last week from her duties as receptionist in Waukegan, because of illness. Mrs. Paul Avery, Sr., left early

## Ironing Rayons

How should rayon be ironed so it won't get that shiny look? Rayons should be rolled in a turkish towel to eliminate excess moisture; then hang them on a hanger until dry enough to iron. Iron on the wrong side with a moderate iron. Remember, water spots rayon so don't let it dry completely and then have to sprinkle it.

## Gears in Ancient Greece

The ancient Greeks had the theory of the cycloidal gear tooth; da Vinci shows not only spur gears but spiral gears. In those days gear meant a single or a very small number of inventions, today the word gear means a flood of inventions—as does the name of almost any other mechanical device.

## Rainbow Grand Worthy Advisor to Visit Antioch

Antioch Assembly Order of Rainbow for Girls met at the Masonic hall for its first meeting following installation of officers Monday evening. Miss Johanna Cobb, newly elected Worthy Advisor conducted the meeting. Plans were made to hold a special meeting March 14, when the Grand Worthy Advisor of the State of Illinois will make her official visit to the assembly.

Following the business session a Valentine party, in charge of the co-mother advisor, Mrs. Lola Badger, was enjoyed by the girls. Miss Cobb was hostess to the group.

## V. F. W. to Meet Monday For Regular Business

Sequoia Post No. 4551 Veterans of Foreign Wars will hold its February business meeting Monday, Feb. 21 at the Guild hall. The meeting will open promptly at 8:00 p. m.

A full report of the post's coming summer activities will be further discussed and planned on the floor. The committee in charge of these activities, headed by Warren Edwards, has asked for the cooperation of the post to insure success in these events.

Richard Burnette, post membership chairman, reports that the post is one of the few posts in the state which is already close to winning one of the National membership prizes for the contest ending March 31. He is asking for a little extra effort on the part of each member to help put Sequoia post in the winners' column.

Entertainment following the meeting will be in the form of movies shown by Mr. J. Lewandowski.

## ST. PETER'S CYO HAS SUCCESSFUL DANCE

St. Peter's CYO dance, Feb. 12, was well attended and it is believed that everyone present had a very enjoyable evening. The music furnished by a local band was of excellent quality. Refreshments consisting of cake and cookies were served at 10:45. The decorations committee did an excellent job of decorating the hall for the occasion.

The hall was decorated with colored lights, balloons and streamers. We now take this opportunity to thank all those who helped to make this dance a great success.

The Club has entertainment and religious instruction every Tuesday night for the young people of the parish.

**Pheasants Hunting Food**  
Unable to get food because of the icy conditions of the sloughs, pheasants are taking to the highways around Antioch in their search for something to eat. One flock of 19 hens and one cock was seen on highway 173 within a space of a half mile Tuesday. There were few cock birds left after the hunt last season, but plenty of hens were saved to rear a new brood.

## Nothing But The Truth, In Production Next Week By Lakeland Players

Could you tell the truth, the absolute truth for twenty-four hours? It sounds so simple. But can you tell people that their dresses and hats are atrocious every time they are, especially when those people are hanging on your very word to hear you say they look lovely? Can you tell your hostess you wish you had not come—when it really is the truth? Think of the many wild situations you would encounter in business. Suppose your employer has a mythical stock to sell—could you peddle it for him, tell the truth and retain any friends or do any business again? Such is the situation of young Bob Bennett in "Nothing But the Truth", a fast moving, sparkling, 3-act comedy which is being presented by The Lakeland Players at the Antioch Township High school on Feb. 24, 25, 26. The American Legion Post No. 748 of Antioch is sponsoring this production. Young Bennett, as portrayed by Robert Lindblad, has \$10,000 at stake and he can't lose! But he almost loses his job, his fiancée and all his friends just because he vows to tell the truth for twenty-four hours. His employer, as played by William Nelson, and associates, Homer LaPant and Thomas Burns, make it anything but an easy bet to win. Get your tickets early and plan an evening of hilarious entertainment. Tickets can be secured at Reeves Drug Store, Nelson Real Estate, Antioch Real Estate, Antioch Library and office of The Advertiser and Antioch Lumber Co.

## Mrs. Ida Johnson Former Resident of Antioch Dies

Mrs. Ida Johnson, 64, a former resident of Antioch, died at her home in St. Peter, Minn., Feb. 10, following a brief illness.

She was born in Germany and came to the U. S. with her parents at the age of four years.

Survivors are her husband, Oscar and three daughters, Pauline Williams, Lake Crystal, Minn. Jean LaCroix, St. Peter and Viola McNeill, of Fergus, Mo., three sisters, Anna Paasch, Antioch, Rose King, Forest Park and Tillie Gutch of California; two brothers, Henry Mau, of Antioch and William Mau, of Elgin and three grand daughters of Minnesota; a grand son, Wayne Belcher, son of Mr. and Mrs. Leslie Perry of Kenosha.

Funeral services were held in St. Peter.

## Channel Lake Community Club Elects Officers

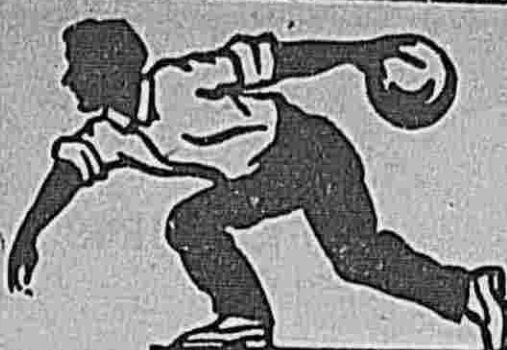

The Channel Lake Community club elected officers Monday evening at the Channel Lake school.

Vern Heath was chosen president in succeeding Richard Seyforth; J. W. Wells was elected vice president, and Emily Rudolph was made treasurer. Anton Novak is publicity chairman.

Following the election Novak showed movies of birds, deer, and ice fishing in Illinois. Before the meeting a pot luck supper was served.

**Goes To Father's Bedside**

**Farm Production Costs**

Production costs for the U. S. farmer are three times the pre-war average—except for feed.

**Best for Weeds**

2,4-D is still the outstanding weed killer among a host of chemicals coming from the laboratories.

**Red Cross Societies**

Sixty-five Red Cross societies now are members of the League of Red Cross Societies, organized in 1919.

**Gets Into Everything**

Rolling mill products today number more than 5,000, from mops to windmills.

**Lie Detector**

Technical name for the lie detector is "polygraphometer."

**Capital Crime**

It is still a capital crime to kill a cow in some parts of India.

**Magic Valley**

The 96,500 people in Magic Valley, Idaho, have a per capita buying power of more than four times the national average.

## YOUR INCOME TAX

by John T. Jarecki, Collector of Internal Revenue for the First District of Illinois

**Non-Deductible Taxes**

Most taxes directly imposed on the taxpayer are deductible, but there are taxes which are not allowable as non-business deductions. Federal income tax, gift tax, and excess profits tax are never deductible taxes.

Special assessments for repairing or laying streets, sewers or other local improvements are not classified as taxes but represent additional cost of the property, and as such are added to the original cost of the building to determine the adjusted basis.

Marriage licenses, hunting and fishing licenses and dog taxes are not deductible.

The following taxes are not deductible unless they are part of your business expenses:

The stamp tax on playing cards. The Federal tax on telephone, telegrams and transportation. Luxury tax on cosmetics, perfumes, liquor, tobacco, jewelry, leather goods.

Admissions and dues taxes. The one and one-half cent Federal tax on each gallon of gasoline.

Federal taxes on mechanical refrigerators, or other electrical equipment, lubricating oils.

Customs duties. Tax on musical instruments, phonographs, radios and records.

Tax on oleomargarine. The next article will be about deductible taxes.

**Jaguar's Markings**

Black "rosettes" on a jaguar's hide usually have a black spot in the middle of the circle, while those of the leopard do not.

**Ice Cream in Scotland**

In Scotland, "ice cream" is made by boiling for 30 to 60 minutes a mixture of milk, sugar and corn flour. This mixture is allowed to cool and is then frozen to a semi-solid consistency.

**Science Licks Storms**

The only commercial airline with full airborne radar, Peruvian International Airways reports this navigational aid enables pilots to detect and avoid storms as much as 50 miles away.

**Air Express**

Approximately 20 per cent of all air express traffic either originates at or is delivered to 22,000 off-airline cities and towns and, therefore, is handled in combined air and rail express service.

**Cranberry Jelly**

It takes less sugar in proportion to fruit juice and less cooking to make jelly from cranberries than from most other fruits.

**First Building Material**

Pine lumber was the nation's first building material.

### Fact

and  
Scripture

"In God we trust" is inscribed on all our coins of the United States. Our Pilgrim fathers had great and trying days. No doubt this inscription was meant to be an ever present reminder that the Almighty God, Creator of the Universe is able to meet all the needs of our people. We know that God is ever faithful to all that believe and keep His Covenants.

Do we well to abandon Truth and resort to the ideologies of man?

"For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse."

"Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened."

"Professing themselves to be wise, they became fools."  
Rom. I: 20-22

*"Please help me!"*

It was just 2:13 in the afternoon when an Illinois Bell telephone operator answered a call on her switchboard and heard a woman screaming.

Swiftly, she turned the call over to her supervisor, Mrs. Edna R. Lejcar, who succeeded in calming the frightened woman within a few moments.

"Please help me!" pleaded the voice on the wire. "My baby's choking!"

Mrs. Lejcar, a mother of two sons herself, gave instructions on how to relieve the choking infant. Then she got the customer's home address, called the Fire Department and ordered an inhalator squad to the scene.

Finally, she checked her emergency list of doctors, located one in the neighborhood and asked him to rush to the woman's home. All this took just two minutes from the time the first signal appeared on the switchboard... two minutes that averted a tragedy.

Mrs. Lejcar received the Telephone Company's coveted Vail Award for her cool-headed efficiency. But she prizes even more the knowledge that she was instrumental in saving the baby's life.

The value of your telephone is immeasurable in emergencies. And it's still a big bargain in everyday activities, too. It saves time, worry... and money. Illinois Bell Telephone Company.

**CHEVROLET**  
*is the most Beautiful BUY of all*

#### The most Beautiful BUY for Styling

Millions of people all across America—and undoubtedly your friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-lander, all right—inside, outside, and from every point of view! For the bodies are by Fisher—finest of all car bodies—found only on Chevrolet and higher-priced cars.

#### The most Beautiful BUY for Comfort

You'll enjoy a new and finer kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating and ventilating system inhales outside air and exhales stale air.

(Heater and defroster units optional at extra cost.)

#### The most Beautiful BUY for Driving and

Riding Ease—with new Center-Point Design

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

#### The most Beautiful BUY for Performance

For real thrills and thrift—for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

#### The most Beautiful BUY for Safety

To buy one of these brilliant new Chevrolets for '49 is to give your family fivefold safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows; and (5) the super-steady, super-safe Unitized Knee-Action Ride.

Mr. and Mrs. Ernest Wells, Mr. and Mrs. O. L. Hollenbeck, Mrs. Myrtle Savage, Mort Savage and Miss Josie Mann were dinner guests at the Curtis Wells home Thursday noon in honor of the 85th birthday anniversary of Mrs. Janet Wells. Over 20 relatives and friends were present.

Mrs. Ray Boller, who has been a medical patient at St. Therese hospital since Thursday returned home Monday evening.

Mesdames Edwards, Messner, Robbins and Anderson spent Thursday afternoon with Mrs. Oscar Neahous.

Mr. and Mrs. Earl Bauman are the parents of a daughter, named Donna Marie, born Friday, Feb. 11, at St. Therese hospital.

Mr. and Mrs. W. C. Upton and Mr. and Mrs. Robert Denman and daughter, Cheryl spent Sunday with Mr. and Mrs. F. C. Semrow, Jr., in Milwaukee.

Mrs. Myrtle Savage, Mort Savage and Miss Josie Mann spent Sunday

afternoon at the Harvey Mann home in Waukegan.

Mr. and Mrs. George White, of Hebron, Mr. and Mrs. Robert White and family, of Genoa City and Mr. and Mrs. Homer White and daughters were dinner guest at the J. S. Denman home Sunday.

Mrs. A. N. Truax returned to her home at Elkhorn, Wis., Tuesday after spending several days with her daughter, Mrs. Roy Bonner, who has been ill with tonsillitis.

Mr. and Mrs. Arthur Myers and son, Halden, spent Sunday evening with Mr. and Mrs. Rasmus Lade-foged at Woodstock.

Mr. and Mrs. H. J. Moheiser left Sunday by auto for a month's vacation in Florida and eastern states.

Mr. and Mrs. Paul A. Erickson are enjoying several weeks vacation in Florida.

The Mylo group will meet at the home of Miss Alice Denman Thurs-

day evening.

Millburn Unit of Home Bureau will meet at the home of Mrs. Emmet King Friday, Feb. 18. Members are urged to be prompt, as there is a long program. Mrs. King will give a report of her trip to Urbana for Farm and Home Week.

There was a good crowd for the sound movie "Tender Years" given by the Young American's Club of Millburn school and held in the recreation room of the church Saturday evening.

**Let Pullets Mature**  
Don't rush pullets into production until they are mature.

## Damage by Rats

Rats destroyed or damaged 200 million bushels of grain last year, the U. S. department of agriculture estimates. If this amount of grain were all wheat, it would be sufficient to supply one pound of bread every day for a year to 36 million people.

## Carved Furniture

Is there anything more difficult to dust and polish than carved furniture? Here is a solution. Dip a small brush in furniture polish and use in dusting small cracks and carved places.

## Farm Forecast

Farm costs in 1949 probably will be about as high as they were in 1945.

## Farm Dollar

In mid-July, 1948, farmers were receiving 53 cents out of the consumer's dollar spent for food products. The other 47 cents went to wholesalers, retailers, transportation companies, and others taking part in the marketing process.

## Waffles as Dessert

A waffle meal is a simple one because most people are content to keep eating waffles until they've had enough. But why not try something new and serve the last waffle as a dessert? Put a little honey and some crushed nuts on the last one and see what happens.

## Oats for Livestock

Value of oats as a feed for beef cattle is very high.

"I'm Bright as a Button . . ."

"I wake up feeling bright as a button . . . since I've been sleeping under my electric blanket. Its gentle warmth lulls me to sleep in a jiffy . . . and helps me really stretch out and relax. I think it's wonderful, too, that just one blanket keeps me so completely comfortable, in spite of changing temperatures. Small wonder I wake up bright-eyed and rested."

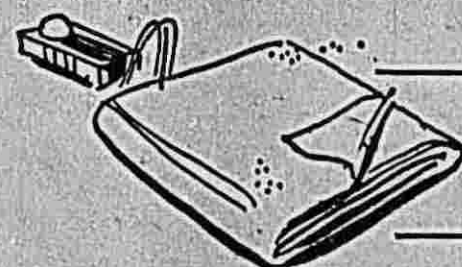

It's easy to enjoy this modern sleeping comfort . . . just set the dial to the temperature you want, turn on the switch, and fall asleep assured of being comfortably warm until you awake in the morning. No matter how the temperature in your room drops or rises, the automatic control of your electric bedcover will make sure you stay just as warm as you want to be. Fresh air fiends can open the windows as wide as they like . . . and still sleep in warm comfort.

You'll find electric bedcovers are easy to care for, too . . . blankets can be laundered and comforters cleaned with no trouble at all. And if you're interested in cutting fuel bills you can still sleep in comfort when the heat is turned down low.

You'll be bright as a button when you sleep under electric bedcovers.

... because my Electric Blanket gives me real sleeping comfort!"

There are several types of electric bedcovers from which you may choose. Electric Sheets \$29.95; Blankets (Twin Bed Size) from \$39.95; Blankets (Double Bed Size) from \$41.95; Comforters \$49.85. All prices include Federal Excise Tax.

## Gold Medal Award FASHION ACADEMY OF NEW YORK SELECTS

*The '49 Ford*  
AS THE "FASHION CAR OF THE YEAR"

*Citation* "The 1949 Ford embodies all the essential qualities of good taste, modern design and subtle harmony in line and color. It is indeed

a compliment to the style-conscious woman who will recognize and appreciate the flattering background it provides for her best dressed appearance."

*Christine Weston*  
President, The Fashion Academy of New York

And "looks" are only  
half the story!

Take the wheel...  
try the new Ford "FEEL"

The Fashion Academy of New York has been noted for the past 20 years for its annual selection of "America's best dressed women." The '49 Ford was chosen to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price classes had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal. This recognition of Ford leadership in the modern trend of automobile design stands as a unique tribute to the work of Ford's Styling Department and of Design Consultant George Walker of Detroit.
